

CEBC'S MEMBERSHIP REPRESENTS THE VAST MAJORITY OF BC'S CLEAN ENERGY OPERATING AND DEVELOPMENT COMPANIES.

BENEFITS ON BECOMING A MEMBER

YOUR VOICE

By becoming a member your voice will be heard not only by your peers in the sector, but also by all levels of government, BC Hydro, First Nations, and the public.

COMMITTEE

Members are invited to participate in our Operational Committees that work on policy development, research, communications, and advocacy initiatives.

REGULATION & POLICIES

Members are appraised of the most recent advancements and changes to government regulations and policies, giving you the opportunity to be involved in the consultation process prior to changes occurring.

DISCOUNTS

Members enjoy significant discounts to attend CEBC events, including our annual Generate conference.

NETWORK

We provide our members with valuable networking opportunities which often facilitates growth to their businesses.

ADVOCACY

As a member, you will strengthen the representation of your interests in the province.
